Observe Memorial Day Properly

"On fame's eternal camping ground
Their silent tents are spread,
While glory guards with solemn round
The bivouac of the dead."

We remember when our own Meade post, G. A. R., over 400 strong marched to the big parade years ago; now little more than a corporal's guard of the dear old heroes live to take part in the holy work of decorating the graves of their fallen comrades who have gone before, and fewer still will be able to join the parade. It is the duty of those of us younger to take their places, to see that every veteran's grave is strewn with flowers and a flag surmounts it. That flag for which they fought, lived and died, and the world honors. It is a profanation of the memory of these men and that flag, to make a sporting event of that one day in the year set apart to honor them, and all good Americans will observe it in a more patriotic manner. It is to the credit of the American Legion that they have taken action on this matter. Attend some of the exercises Monday and do not stint in your gift of flowers, for surely these colored poems of nature were never put to better use than in decorating the grave of one of our heroes at home or abroad, or in the waters they sailed.

Reckless Driving Claims a Victim

Friday afternoon at one o'clock while crossing 63rd st. at Stewart ave. at a speed estimated all the way from 25 to 40 miles an hour, Arthur C. Heller of 1423 Garfield blvd. struck a smaller car, completely overturning it as well as his own, and slewing his car around on the east sidewalk of Stewart ave., struck Mrs. Laura Gillen of 6307 Stewart ave. and inflicted such injuries that she died Saturday evening. The driver of the small car was Mr. C. T. Jaeden of 6822 Lafayette ave., who it seems was driving at moderate speed. Bystanders reported that young Heller was driving with one hand, holding a dog in the seat with his right arm. The coroner's inquest has been postponed owing to the reported illness of the young man, and the verdict will be watched with great interest, as influences are being brought to protect the boy. Mrs. Gillen was cashier in a market and leaves a young daughter unprovided for, and while we are "passing the hat" for all sorts of charity, we would suggest that a fund be raised for this poor little girl so suddenly bereaved of her only protector.

The speeding auto driver is again with us and the great number of accidents is appalling. There is no excuse for this recklessness and more vigilance on the part of the police will stop it by a few arrests and good wholesome fines; even a dose of Bridewell sentence would not be too severe.

Mr. James S. Trimble, another one of our civil war veterans, has heard the last bugle call and gone to rest. He lived with his sister, Mrs. Mary Moore, 8837 Lowe ave. Funeral services Monday evening and the body taken to Keokuk, Iowa, his old home, for a final resting place.

All Gresham or Auburn items sent by mail to correspondent, Mrs. Pauline F. Palmer, 1753 W. 96th st., Beverly 2097, must be signed by sender. The name will not be published. The Times enjoys putting in the nice things that are going on, the weddings, the stork's visit, the final resting place of the friends, but these must all be authentic. We believe in the Golden Rule.

Mrs. C. Harlow of San Gabriel, Cal., formerly of Auburn Park, entertained Mrs. B. Gansel and daughters of Chicago. Mrs. Harlow's father rented a home of the Gansels at 55th and Cottage Grove ave. in the early seventies. She played with Louise, Helen, Jonah, Bruno and Birdie as a child and the past week had Mrs. Gansel, Helen, Birdie and her son as guests. Thus does history repeat itself.

Paving Must Be More Substantial

Almost everyone has noticed that many miles of comparatively new laid paving is ruined after the long winter, and very little service got out of it. The cause is the extremely light foundation, as well as light top dressing. These light pavements were good enough for the one, or at most two ton loads of years ago, but with trucks carrying ten to twenty tons they crumble up like ginger bread. Even the boulevards are disintegrating and are less serviceable than formerly as the constant travel of the thousands of cars, even though they be light in weight, wears off the top dressing and the cold and damp plays havoc with the skimped foundations. Specifications for paving hereafter should specify much heavier foundations, or loads and travel should be limited, or few jobs of paving will last until the last assessment is paid on them.

Vernon Theatre

Again the Vernon Theatre throws its hat in the ring and adheres to their well known policy of giving their patrons the best that money can buy in film world. Here are a few of this and next week's offerings:

Friday and Saturday, May 28th and 29th. "The Virgin of Stamboul. Universal-Jewel $500,000 production de luxe, starring Priscilla Dean. Don't fail to see the harems, slave girls favorites, adventurers, battles, Bedouins, Turks, camels, sheiks, hookahs in this gorgeous mysterious romance.

Sunday, May 30th, Mary Miles Minter in "Nurse Marjorie." As the daughter of an Irish Duke and his English Duchess, Nurse Marjorie can't be expected to have anything else but riotous blood in her veins and the dance she leads her conventional parents finally lands her in a hospital as a nurse. How? That'll be telling!

BRYANT WASHBURN in 'MRS TEMPLE'S TELEGRAM' A PARAMOUNT ARTCRAFT PICTURE

Monday, May 31st (Memorial Day). Bessie Barriscale in "The Notorious Mrs. Sands." Virtually sold into an unsought matrimonial alliance with a wealthy bachelor, old enough to be her father, by a scheming society-loving mother, Mary accepts her fate with the best filial grace, believing that her sacrifice will tide her unnatural mother over financial difficulties.

Tuesday, June 1st. Bryant Washburn and Wanda Hawley in "Mrs. Temple's Telegram."

Wednesday and Thursday, June 2nd and 3rd. Wm. S. Hart in "The Toll Gate." It's the best picture he ever produced. See him as Blackie Deering, bandit, hold up a train—escape from his captors—leap 60 feet from a cliff—burn out a nest of his foes—rout a band of Mexican raiders—fight his betrayer to the death—fling away his freedom to save his enemy's child.

Coming—The great Nazimova in "The Heart of a Child."

Glory of a Nation.

The true glory of a nation is an intelligent, honest, industrious people. The civilization of a people depends on their individual character, and a constitution which is not an outgrowth of this character is not worth the parchment on which it is written. You look in vain in the past for a single instance where the people have preserved their liberties after their individual character was lost.—E. P. Whipple.

SOMETHING WORTH WORKING FOR

A Fitting Memorial

Right Now Your Thoughts Are Turned Toward Memorial Day

On that day we halt our business and pay tribute to our loved ones who have passed on and to our gallant sons of the nation, who died serving the colors both in this country and across the seas.

This year let us do more than place wreaths and strew flowers on the green mounds which mark the sleeping places of those we loved so dearly. Always we will decorate the graves on Memorial Day, but this year we have an opportunity to contribute to a lasting memorial, which will be a most fitting monument to your departed loved ones.

Let us make the New Auburn Park Hospital a memorial to those who have gone on before us.

A Soldier's Friend

Perhaps you had a soldier friend—perhaps a member of your own family—who gave his life for his country and who lies today beside his comrades of other lands, far across the seas. Why not perpetuate his memory by contributing enough for a memorial room in his honor in the new hospital. His name inscribed on a bronze tablet outside the room will be a fitting, lasting memorial to him who gave his all for his country.

For Your Departed Loved Ones

What is more appropriate than a memorial which will be a benefit to humanity—a memorial which will be a place where the sick and maimed may be sheltered and their suffering relieved?

Let us have many memorial rooms in the New Auburn Park Hospital in memory of the beloved of our families who have passed into the great beyond.

Your Protection

In addition to building a memorial, by contributing to the funds needed for the construction of the New Auburn Park Hospital, you will be helping to provide more room for the sick and injured in this section of Chicago. There is a serious shortage of hospital beds in Chicago, particularly in the southwest section of the city. Sickness and accidents come upon us when we least expect them. This great, new hospital will be a protection for yourself and your family. This hospital will be built by popular subscription and will be operated without profit.

The Money-Raising Campaign Will Be Conducted June 14th to 24th

THE first of May we had a problem—33% increase to union bakers, 30c a pound sugar, and high priced flour, made it imperative that we reduce the quality or raise the price of our products. We could not consider the first alternative, so the price had to be raised in accord with those of other quality shops.

But only the quality of our Bread and Pastry is high—not the price. We use only the finest materials in our baktry. We employ only master bakers and the pleasing result is high-type food.

INVEST YOUR MONEY WISELY
6%
The safest forms of investments have always been real estate mortgages secured by farm land. This is proved by the fact that the life insurance companies—the largest investors in the world—prefer farm loans over any other form of security. Producing farm land is better security than city realty. The principal value of city property rests in improvements which sooner or later become antiquated or unsuited to the needs of a changing neighborhood The unforseen influx of undesirable neighbors adversely affects the value of city real estate. Farm land is free from both of these menaces, for every year shows a steady advance in the average value of farm property. It is this constantly increasing security which makes farm mortgages so desirable. For years we have been making farm mortgages and selling them to conservative investors in Chicago. We collect interest and principal without charge. That we have succeeded in building up a reputation for care and conservatism is apparent from the fact that we now have several hundred customers in Chicago and others in over 30 states.
Send for our Illustrated Booklet describing these safe investments.

EMPRESS THEATRE

Never before in the successful history of the Empress theatre has there been a time in which so many big attractions have been booked and given the public. The amount of talent Manager Mitchell has secured for the summer season is a subject of remark in the amusement world, and he goes along in his same old way, seeking even better each week. One feature of the Empress is the excellence of its music and it is the subject of many compliments. Not only does this excellent body of musicians give us the topical music of the day from the latest composers, but back into the classics and among the very best they go until their repertoire makes one happy to hear from the dizziest shimmy jazz to the heavenly strains of the old composers, who knew nothing but real music. The variety of the Empress entertainments is a feature and commends itself to the worn-out business man or woman or even the leisure class. They have the best of pictures, subjects of travels, as well as the latest released features and in addition have a string of star vaudeville acts that none of the city houses may equal. All that is latest and best, all that is good and beyond the ordinary is found at the Empress and you will see and hear it if you get the habit and follow the crowd.

NATIONAL THEATRE

Starting Sunday matinee, with matinees on Monday, Thursday and Saturday, the National Theatre will present that ever favorite success of Al H. Wood's, "Parlor, Bedroom and Bath." It will be a fitting close for the stock season.

The farce tells the troubles of Richard Irving, a newly-wed, who is determined to make any sacrifice that his bride may be happy and contented. The bride just dotes on her husband having a "past." She feels a certain superiority in knowing that his marriage has not caused him to cease sowing his wild oats.

The woman selected is Polly Hathaway, collector of items for the columns of a society paper. As in all good farce comedies there follows a "mistaken identity" mix-up, but in this case there are several mix-ups.

The very innocent husband finds himself with three in place of one "admirer" and two of them are real good friends of Mrs Irving. His wife "surprises" him in this plight but to make matters worse the husband of one of the women discovers his "better half" in the great plot of having "pasts."

And just when it begins to look as if the farce might become a tragedy Polly saves the reputation of the innocent wife convinces Mrs. Irving her meek and really faithful husband is all his wife would have him be in measuring up to her idea of being devilish, and everyone is happy

Camp Fire Items

The Kewanee Alan presented a demonstration at Garfield M. E. church Monday the 24th. The girls were assisted with their program by Miss Jessie Brant, former Camp Fire Girl, Miss Harriet Linard Misses Ruth Peterson and Alice Boyd of Po-to-wa-to-me camp.

Dr. Willis Stone and wife, comrades of the Fire and always on hand at all Kewanee Alan doings, are a great inspiration to the girls to put on good demonstrations.

Mrs. J. T. Lave of 6424 Ellis ave. is confined at home by illness. We hope to have her with us again soon.

The Chattamangoes were entertained at Mrs. Tipler's house for their last social meeting. The girls played a geographical and a musical game. Refreshments were served, and the prizes were given to the winners. Their meeting was closed by the arrival of several of the girls' parents. Don't forget the hike May 29th.

The Po-to wa-to-me and Kewanee Alan camps will present a camp demonstration June 1 at the Englewood Baptist church, after which "A Soldier's Reverie" will be presented.

Clean Up and Decorate

With the beautiful spring comes the annual clean-up, and with it should come a system of rejuvenating and decorating your premises inside and out. Above all take care of the lawns, you that have them. Plant a few flowers or shrubbery in front of your place, nothing is more pleasing and beautifying. Window and porch boxes add much to the the appearance of a street, and are inexpensive. Let all join to beautify our home district, and everyone doing their little share will help out wonderfully.

Successful Choir Concert

Tuesday evening, May 25th, the choir of the Englewood Presbyterian church gave their annual concert under the direction of Prof. Glenwood Prieble to a very large and appreciative audience. Mr. Prieble has been musical director of this church for almost twenty-five years and under his splendid leadership has been able to maintain one of the best musical organizations in the city, one of which Englewood may well be proud. The choir has served the Sunday Evening club of Englewood for six years and has greatly added to the success of the club, which has a national reputation, its soloists being of the highest reputation, and last evening will be one to be long remembered by those who were entertained with Mr. Geo. R. Kutz presiding at the piano as accompanist. The solos of Florence Lang and Herman Ashbaucher were most beautifully rendered and Miss Whitson's violin solo was executed with wonderful grace and technique. The readings by Miss Jean Barron Hurst in which she showed as having a masterful mind and self control, besides having a wonderful knowledge of expression and perfect English, she having been director of English in State College of Kentucky for a number of years, doing lecture work for the state. The evening's entertainment closed by the choir, assisted by the trio, Miss Lang, Mr. Ashbaucher, Dr. Chittick rendering "The Heavens are Telling" by Hayden. Through the kindness of many friends of the choir Mr. Preble will take these splendid young people on a vacattion to Lake Geneva, which they have so deservedly earned.

Lecture of Chateau Thierry and Belleau Woods

Sunday evening next, May 30th Rev. Richard D. Hughes, pastor of the Emerald Ave. Presbyterian church, Marquette rd. and Emerald ave., will deliver an illustrated lecture on the great American shrine in France. Chateau Thierry and Belleau Woods," where so many of our brave boys fought and died for their country's honor and glory. These illustrations were taken by Dr. Hughes personally while attending the first Memorial day services held on these great fields of American valor. The eloquence of the orator and his personal and intimate acquaintance with his subject will make this a most interesting lecture and we bespeak an appreciation by a packed house.

Must Put Auburn Park Hospital Fund "Over the Top"

More than 1,000 men and women, many of them prominent in ward and precinct organizations active during the war in putting their districts "over the top" in the liberty loan and war activity drives, are being banded together again for another service, just as important to the community as the war work proved. This is the $500,000 fund campaign of the Auburn Park Hospital association which is soon to begin.

Residents of the whole south side district from 55th St. south, from the lake almost to the drainage canal, if they do not know of the needs of the community for a large hospital such as has been planned for Auburn Park, will know it before the fund drive is concluded. The workers, who are being "recalled," as it were, to public service, learned the lesson as early as 1917—many of them knew it well before then—of spreading their gospel of "help where it's needed most" and they are being primed at the weekly meetings of the workers at the 79th St. headquarters to start off on both feet when the drive begins.

"Some persons have the idea, now that the war has just about been forgotten, that the time for opening the purse strings has passed," said Benjamin S. Wilson, chairman of the executive committee in charge of the drive. "There never was a time," he continued, "when Chicago was more in need of hospital beds." The acute housing situation in Chicago is not a circumstance to the hospital bed shortage. Were another epidemic of sickness to occur such as those which carried so many away by influenza, Chicago would be taxed to its limit of endurance to care for the patients. Chicago could care for them, for Chicago's heart is big and its homes are open, but an epidemic of sickness is not a question of home hospitality. It is a case of life and death if adequate facilities are not available.

"The great south side district beyond 55th St. is the most seriously short of hospital beds in the whole city. The Auburn Park Hospital project, with its 200 bed plan, will aid greatly in making the southern part of the city a leader in death prevention—for that is what a hospital is, pure and simple and in words easy to understand.

"The death rate per 1,000 of population in the last seven years in the 32nd ward was 13.37. That of the 31st ward, which has more hospitals, was 12.78. The 29th district, that which touches the stock yards district, has a rate of 16.55; the 9th ward, directly east of the 32nd, has a 12.72 figure; while the 8th ward, South Chicago, from which section many patients would be taken to the Auburn Park hospital, has one of the highest rates of the city, 16.03. These figures, contrasted with those of some other wards, are not high, but they are too high at that. They could be lowered materially by the installation of a big, modern hospital in the center of this big section."

Must Raise $500,000 in June for Auburn Park Hospital

The $500,000 fund raising campaign for the new Auburn Park hospital will be launched some time in June. Work is progressing nicely at headquarters and we are told everything will be in readiness at that time.

A life membership plan is being worked at headquarters wherein all persons who contribute fifty dollars or more to the hospital will have a voice in selecting the twenty-one directors who will carry on the management of the hospital. The directors so elected are to serve without remuneration.

Everybody must realize that the people back of this campaign are giving their time and personal effort for the good of the community. People every day are realizing more and more the congested conditions of the hospitals all over Chicago and especially south of 55th st.

A committee will be appointed to call on the various clubs and societies as well as lodges and unions in the district in an effort to get them to donate a room or ward in their name. No stone will remain unturned in an effort to get funds for this much needed hospital.

As there are hundreds of industries in this section, the laboring man as well as the one of means know the great benefit to be derived from a hospital. It is such a common occurrence for the doctor to be told that there is no room in the hospitals that the truth of the situation is brought home to all.

The campaign committee feel very much encouraged over the fact that there is so much interest being manifested by the people of all classes and that when the time comes for the drive in June thousands will most cheerfully respond to the call and give most liberally.

The new hospital will be five stories and basement and will be most beautifully situated on 78th pl. and Eggleston ave. fronting on Lagoon park.

"The Man Who Fanned"

The series of popular Sunday evening addresses based on our national sport, being delivered by Rev. George R. Stair, pastor of the Englewood Baptist church, 6248 Stewart ave., which was interrupted last Sunday evening by the graduating exercises of the Northern Baptist Theological Seminary, will be resumed next Sunday evening, when Dr. Stair will speak on "The Man Who Fanned." These addresses are full of interest, especially for young men and women, and are attracting large audiences each Sunday evening. The singing by Miss Lusinn Barakian and the large chorus choir is worth going a long distance to hear. Sunday morning at 10:30 Dr. Stair will preach on "The Changeless in a Changing World."

Chicago Band Association Fund Still Open to Subscriptions

Support your band—the Chicago Band—which gives its concerts free in the districts of factory, school and home. We have had a number of them in the Thirty-second Ward and expect to have many more. Sustaining memberships in this organization have been subscribed for generously by organized business and club groups, and by employes in industrial plants. But there are yet many hundreds of individuals in our community who have failed to avail themselves of the privilege of contributing to the work of democratization and Americanization that the Chicago Band Association is carrying on. Community memberships cost but one dollar and children's buttons may be had for 10c.

If you feel inclined to aid in this philanthropic project and no solicitor has approached you, call up the chairman of the Thirty-second Ward Auxiliary, Chicago Band Association, Mrs. Albert J. Fisher. Phone Stewart 31, and a campaigner will be sent to you.

Rules for Dancing in the Parks

The South Park Commissioners have issued regulations for dancing and also for regulations of orchestras which is very opportune and should be observed.

All couples must maintain the open position, no "head to head" dancing, no dancing from hips up, dancers must not wear hats while dancing and must be properly dressed.

Orchestras must play music as it is written with no added syncopation and be such as is conducive to proper dancing. The program must be arranged to end no later than 10:45 P. M. with the exception of Saturday when it must end no later than 11:45.

These common sense regulations should appeal to all, and it is hoped the park authorities will not be compelled to resort to drastic measures to enforce them.

Need for Hospital Drives Away Prejudice

When we see the ambulance rushing down the street—another poor victim has met with an accident. Our next thought—the hospital; but we don't realize that the poor fellow will have to be crowded into an already overcrowded room, and that the doctors have got to shift about the best they can because they are seriously handicapped by congested quarters. For men hurt on buildings and in factories, there will be a special emergency operating room with physicians, surgeons and nurses in attendance at the Auburn Park Hospital. The doctors know the situation only too well, but they can't be asked to build the hospitals, only except from an investment standpoint. In that case they are obliged to charge exorbitant prices. Hospitals that exist today owned by corporations and individuals are charging thirty per cent more than could necessarily be credited to hospitals that were built by the people and not run for profit but as a necessity and benefit to the community. The hospitals are full today and dozens are being turned away right here in your own community. Today the hospital is a life saving station. Probably this is due much to the fact that the American people are transient, being in many cases away from their homes and knowing that they will be best taken care of when sick, in a hospital. The New Auburn Park Hospital, located at 78th Place and Eggleston Ave., will be such an institution built by the gifts of the people and run for their benefit on a non-profiting basis.

"The Woman Gives"

From the Famous Novel by Owen Johnson

The Women gives Love, Devotion, Loyalty, and what does she get in return?

MARLOWE HIPPODROME

Speaking of real amusements, look at the bill for the Marlowe for the coming week and be happy. Manager Hughes likes his Englewood audiences as well as they like him and he sure is giving them some special attractions that are sure to pleuse even the most fastidious. No house in the city is so generous with its patrons as the Marlowe with their bargain Saturday matinee for the ladies and kiddies for about the price of the cardboard in the tickets, only a small jitney nickel for the kiddies and a thin dime for the ladies, added to the one and two cent war tax, and such a show as they get, nothing like it anywhere in the city or out of it.

On Saturday and Sunday, this week they give an all-star vaudeville program with five smart snappy acts and several deluxe photoplays. Every act is full of action and happy smiles. Boston & Eddy, the acrobats supreme; Gillen, Gipton Co., the slippery ducks; Maconni, the distinguished musician; Hanlon Co. of top liner comedians, and above all the Seymour Huff Family of high school dogs. These dogs know more than many men and do tricks that will be dreamed of by the kiddies.

On Monday and Tuesday they offer "Daredevil Jack," Jack Dempsey's popular serial, in which the world's champion shows his prowess and skill in baffling his wily enemies, all of this in addition to the regular vaudeville program. On Tuesday evening the regular professional song publishers' contest takes place and also the contest of local songsters for the pretty floor lamp, an event replete with interest and some excitement.

On Wednesday and Thursday another episode of "The Lost City," the most wonderful serial picture ever presented, and the regular vaudeville bill.

Every Friday night, as well as tonight, we present a grand professional vaudeville revue, consisting of at least four or more acts and all of the best and latest.

The Marlowe plays only the best at all times. The pictures are good and the other attractions afford that variety so welcome to the blase amusement seeker. Come to the Marlowe at any time and enjoy yourself.

A Scene from "The Lost City" at the Marlowe Every Wednesday and Thursday Evening

WILLIAM DUNCAN

It is only natural that William Duncan should be the hero of hundreds of thrilling escapes and strenuous rescues in Vitagraph's famous serials. His physique and early training particularly fitted him for just such a career. He completed his education at the University of Pennsylvania, where he took a prominent part in college field games and athletics. He became athletic instructor and toured the country at the head of his own dramatic company before becoming a serial star and director.

Mica.

Mica, so named from its being easily divided into glistening scales, consists of silica and alumina, associated with magnesia, soda and lime in varying proportions. Thus we have potash mica, consisting of silica, alumina and potash; and magnesia mica, in which the alumina is partially replaced by magnesia, passing—as the proportion of magnesia increases—into soft talc, which is chiefly composed of silica and magnesia.

LARRY SEMON

The Fourth Estate lost one of the cleverest cartoonists in the country when Larry Semon heard the call of the screen. What the newspaper readers lost the motion picture fans gained, for Larry is now the comedy king. He writes and directs all of his features and never imitates another. In "The Grocery Clerk" he introduces the shimmying cat.

JOE RYAN

Joe Ryan felt that he just had to be a villain to keep up the natural fitness of things. He was born at the foot of Devil's Tower, in Crook county, Wyo., and he just naturally had to play he was a bad man. That he succeeded is evidenced by the hisses he receives in nearly every city and town in this broad land. But away from Vitagraph's thrilling serials, he is one of the most quiet and likable men in the motion picture world. And to prove it he is being co-starred with Jean Paige in a serial.

Harvard

The Harvard theatre as usual will present some very handsome pictures the coming week, in fact a glance at their advertisement will show that no house in the city runs such a galaxy of attractions of the first order. Some run one good feature and fill up with mediocre for the rest of the program, but with Jimmy Costin they must all be good all the time and this week he seems to have won the laurels.

Friday and Saturday, May 28th and 29th, matinee and night. Beautiful and bewitching Mary Miles Minter in "Nurse Marjorie." A delicious comedy drama with tender love interest. Love also defies conventions. Marjorie Donegal was the daughter of a duchess, but she led her lover to believe her mother was a fish woman—and the flame of his affection burned brightest in the maternal fish market. Comedy, Pathe News, the Gumps; Saturday matinee, "Elmo the Fearless."

Sunday and Monday, May 30th and 31st, continuous 2 to 11:30 p. m. He's here again. The famous delineator of western characters, William S. Hart, in the first picture under his own company, "The Toll Gate." In this story of the pioneer West, the man who tried to go straight had a hard time of it, and that last fling of Black Deering and his gang almost cost him his liberty. But a woman, and a tiny child saved the day for him, and he rode south, with his love for the wife of another man tucked safely away in his heart.

Tuesday, June 1st, matinee and night. Bessie Barriscale in "The Notorious Mrs. Sands." In her latest starring vehicle, the charming Bessie Barriscale is seen in the role of a girl whom Fate places in a false position. She is at the head of a smart social set where her entertainments cause her to be known as "The Notorious Mrs. Sands."

WILLIAM S. HART in 'THE TOLL GATE' A PARAMOUNT ARTCRAFT PICTURE

At the "Harvard Beautiful" Sunday and Monday, May 30th and 31st

Wednesday and Thursday, June 2nd and 3rd, matinee and night. Nazimova, the incomparable star, in a living human romance of Limehouse, London theatrical life and British aristocracy, "The Heart of a Child." Nazimova has done great pictures, but in none of her previous triumphs has she had the opportunity as in this one to display her every touch of genius. Utterly different from anything the unrivaled star has before enacted. "The Heart of a Child" is easily her masterpiece of the screen. And in point of artistic production and in the excellence of cast it is no less meritorious.

Friday and Saturday, June 4th and 5th, matinee and night. Norma Talmadge in "The Woman Gives." Inga Sonderson, an artist's model, loves and is loved by Robert Milton and a successful sculptor takes an interest in them both and helps them to success. His reason is through a feeling of kinship for all lovers. When his wife is unfaithful he finds that drink will not drown his sorrows, so he takes to opium. Inga tries to save him. After a desperate time with Garford she awakens his manhood, but Bob misunderstands. The lovers separate. Garford reforms and asks Inga to marry him. However she returns to her first love, Bob, who realizes his folly and begs forgiveness.

Flamingo Nearing Extinction.

The flamingo's happy hunting ground used to be throughout Florida and many lovely members of its family could be met with in the other hot countries. Very few of them are left now, however, anywhere in this country and many bird lovers predict that in a few years more they will have been killed off until they will be extinct.

Walrus a Big Beast.

The average sized Alaskan walrus is as big as an ox and often weighs more than a ton. A walrus was recently killed by some whalers near Point Barrow whose head weighed 80 pounds, and skin, including flippers, 500 pounds. The animal had a girth of 14 feet.

LINDEN THEATRE — 63rd Street at Halsted

The rapidly increasing patronage of the popular Linden Theatre is no doubt due to the fact that Manager Thomas Johnson is ever alive to the requirements of his patrons and is clever enough to put over such productions as appeals to them. This is an art in the film game and "Tom" knows the ins and outs, which linked with service, courtesy and close attention to details, and last, but not least, an exceptionally good orchestra and pipe organ, makes the Linden a very popular photo playhouse.

Thursday, Friday and Saturday, May 27th, 28th and 29th, three eventful days. Wm. S. Hart in the first of his own productions, "The Toll Gate." It's the best picture he ever produced. See him as Black Deering, bandit, hold up a train—escape from his captors—leap 60 feet from a cliff—burn out a nest of his foes—rout a band of Mexican raiders—fight his betrayer to the death—fling away his freedom to save his enemy's child. Remember that this is the first of the splendid series of William S. Hart productions. Made by William S. Hart himself among the valleys and cliffs of the Great Southwest. It's a master production.

Sunday and Monday, May 30th and 31st, Norma Talmadge in "The Woman Gives." It's just another of the kind of productions that have made the Talmadge sisters exceptionally popular and this one is where Norma excells herself. See it.

ETHEL CLAYTON
In "A Lady in Love" Friday and Saturday, June 4th and 5th

Coming for one whole week, beginning Sunday matinee, June 6th, Cecil B. DeMille's gorgeous revelation of boudoir secrets, "Why Change Your Wife?" With a superb cast, including Gloria Swanson, Thomas Meighan, Bebe Daniels. A butterfly woman's toast to the husband of a too witely wife. Until at last he "dared." But the wife was still young and—these two beautiful women—culture, manners, breeding flung in an instant to the winds—fighting like maddened tigresses—in his room—for the man they loved.

Sunday and Monday, May 30th and 31st, Norma Talmadge in "The Woman Gives." Inga Sonderson, an artist's model, loves and is loved by Robert Milton and a successful sculptor takes an interest in them both and helps them to success. His reason is through a feeling of kinship for all lovers. When his wife is unfaithful he finds that drink will not drown his sorrows so he takes to opium. Inga tries to save him. After a desperate time with Garford she awakens his manhood, but Bob misunderstands. The lovers separate. Garford reforms and asks Inga to marry him. However she returns to her first love, Bob, who realizes his folly and begs forgiveness. Also our usual added short subjects on each of these days.

Tuesday, June 1st. Fascinating Dorothy Dalton in one of her best efforts, "The Dark Mirror." Romance of two worlds and of two beautiful women. The world of wealth and a daughter of fashion. The underworld and a belle of the dance hall dives. See what happens when love, wrong and misunderstanding bring the worlds of these two women crashing together.

Wednesday and Thursday, June 2nd and 3rd. Dainty little Mary Miles Minter in "Nurse Marjorie." An absorbing comedy drama of unusual interest. Love also defies conventions. Marjorie Donegal was the daughter of a duchess, but she led her lover to believe her mother was a fish woman—and the flame of his affection burned brightest in the maternal fish market. True, he came near to giving her up when her real identity was made known—but that's only one of the intense and interest-compelling features of the story.

Friday and Saturday, June 4th and 5th. Charming Ethel Clayton in "A Lady in Love." If you're an Ethel Clayton fan its safe to wager that your life has been desolate lately from the absence of that lady's pictures. She took a trip to the Orient, and didn't work for a long time. Now she is being seen in "A Lady in Love" at the Linden. Clarence Gerhardt supports her.

Extra special attraction, one solid week, beginning Sunday matinee, June 6th, Cecil B. DeMille's opulent domestic discussion, "Why Change Your Wife?" Why don't wives remain their husbands' sweethearts? The greatest question of modern life, presented—and answered—in this fascinating companion picture to Cecil B. DeMille's "Don't Change Your Husband." With Thomas Meighan, Gloria Swanson, Bebe Daniels and Theodore Kosloff.

The Empress believes that people want a variety in their amusements as in every other time of life, that variety is the spice and we sure do hand out the spice as we cover every line from really good top liner movie pictures, travelogues and scientific scenes as well as the best comedies. In this story of the pioneer West, the man who tried to go straight had a hard time of it, and that last fling of Black Deering and his gang almost cost him his liberty. But a woman and a tiny child saved the day for him, and he rode south with his love for the wife of another man tucked safely away in his heart.

See your regular favorite and enjoy a real treat. It's well worth waiting for.

E. A. R. THEATRE

Among the many other attractions of the pretty E. A. R. Theatre is the excellent music. The wonderful double pipe organ under the manipulations of the talented artist, Prof. Robert Stronach gives a regular artistic concert at each performance. It is real music, the kind music lovers love, and even the everyday admirer of sweet sounds enjoy. Everyone that visits the E. A. R. Theatre speaks of the music and it is well worth while going there to hear it alone.

Friday and Saturday, May 28th and 29th. Still another special two day attraction. Beautiful and charming Priscilla Dean as "Sari" in "The Virgin of Stamboul." Sari is a beautiful beggar girl in the streets of Stamboul. Captain Pemberton, a dashing young American soldier of fortune, in command of the famous Black Horse Troop, falls in love with her. At the same time, Achmet Hamid, a powerful Sheik of the desert, plans to kill a young American in love with his favorite wife. Following him to the Mosque, he stabs him in the back, but is seen by Sari. Realizing this fact, the Sheik plans to marry her to protect himself. Pemberton learns of the marriage plot and is able to marry Sari himself by proxy under the Turkish law. Discovering the trick, the Sheik kidnaps them both and immures them in his desert home. Sari escapes and brings the Black Horse Troop to the rescue in time to see Pemberton victor over the Sheik in a tremendous struggles. This is without a doubt the year's most stupendous production. You must see it by all means. Also Johnny Ray in the novel society comedy, "Jiggs in Society," adapted from Geo. McManus' celebrated newspaper comics, "Bringing Up Father." Not a cartoon but a message of mirth, a gale of giggles, a riot of joy and laughter.

Commencing Saturday matinee, May 29th, and continuing every Saturday for the next fifteen weeks, Warner Bros. present Selig's sensational animal serial, "The Lost City." Fifteen realistic episodes of wild animal life in the African jungles. A wild animal serial that will startle and thrill the world. Featuring Juanita Hansen. See her rescued from dangerous situations she enacts throughout this serial. Boys and girls, come see the opening chapter free—bring the war tax and we will admit you Saturday.

Sunday and Monday, May 30th and 31st. Mary Miles Minter in one of her greatest film productions, "Nurse Marjorie." As the daughter of an Irish duke and his English duchess, Nurse Marjorie can't be expected to have anything else but riotous blood in her veins and the dance she leads her conventional parents finally lands her in a hospital as a nurse. And there she meets romance in the person of lame little Dick, and blind John Danbury. To see what she does to send these two on the high road to happiness will do your heart good. Incidentally Marjorie finds happiness herself. How? That'll be telling. Special extra added, funny Larry Semon in his greatest success, "School Days." Also the second episode of "The Moon Riders" and the 18th episode of "The Lion Man."

Tuesday, June 1st. Bryant Washburn in "Mrs. Temple's Telegram." A story that thrills and tugs at the heart; one that evokes many a chuckle and many a laugh. A production that ranks with his best, a picture of surpassing activity and gripping suspense. Such is Bryant Washburn's latest success. Also "The Tale of a Dog." A "dog-gone" good comedy. See it.

Wednesday and Thursday, June 2nd and 3rd. Wm. S. Hart in the first of his own productions, "The Toll Gate." It's the best picture he ever produced. See him as Black Deering, bandit, hold up a train—escape from his captors—leap 60 feet from a cliff—burn out a nest of his foes—rout a band of Mexican raiders—fight his betrayer to the death—fling away his freedom to save his enemy's child. Also Charlie Chaplin in another of his hits, "The Champion." It has some punch. See it.

Friday, June 4th. The popular "Jap" star, Sessue Hayakawa, in his latest and best effort, "The Devil's Chain." If you like to see a production taken in the "Far East and your favorite star who excells in this class of pictures, then don't fail to see this one. Also "His Wife's Mistake," an exceptionally good comedy.

Coming for three days, Thursday, Friday and Saturday, June 10th, 11th and 12th, Cecil B. DeMille's production, "Why Change Your Wife," with an all-star cast, including Thomas Meighan, Gloria Swanson, Bebe Daniels, Theodore Kosloff and others. Where was the girl he married? Where the lure, the glamour, the ecstatic sweetheart hours? Faded into dull, drab, matrimony. Was he wholly to blame when another woman, aglow with the joy of living, slipped into the place in his life which his wife had left vacant? Was he?

One of the Many Sensational Situations in "The Lost City," an Exceptionally Good Serial, Commencing Saturday Matinee, May 29th

Woodlawn Theatre

Last two days, Friday and Saturday, May 28th and 29th, continuous 2 to 11:30 p. m. The unrivaled star, Nazimova, in "The Heart of a Child." Sally Snape, a girl born in Limehouse, the slums of London, is endowed with a native talent for dancing, but is orphaned and forced to earn her livelihood in a factory. Later her beauty attracts attention and, by an odd chain of circumstances, Sally becomes a model in a fashionable modiste's shop. There she meets Lord Kidderminster, who, attracted by her face and her winsomeness, helps finance a revue in which Sally has the principal role. The girl proves a hit. Lord Kidderminster falls in love with her, but Lady Dorothea Lytham, who wishes him for herself, manages to compromise Sally and turn Kidderminster's family against her. Sally's

personality comes to the rore again and wins over the irate family, leaving the way clear to marry Kidderminster.

Beginning Sunday, May 30th and running for one week the Woodlawn Theatre presents enchanting Norma Talmadge in "The Woman Gives." The picture is one of the most natural that has ever been screened. The characters are true to life and the general moulding of the entire plot through the actions which would naturally be expected makes this production as splendid an entertainment as has ever been shown.

Then again another big one week special attraction will be Cecil B. DeMille's masterful production, "Why Change Your Wife," with an all-star cast, featuring Gloria Swanson, Thos. Meighan, Bebe Daniels, Theodore Kosloff and others, the week beginning Sunday, June 6th, continuous 2 to 11:30 p. m. He had no more faults than most men, but his wife acted as his governess rather than his sweetheart. So a dashing little modef at the "Maison Chic" snuggled into his life and—the wife won in the end! Come and see how.

There is no use sending us "copy" later than Wednesday afternoon, as we cannot possibly publish it. Every week we are compelled to make this announcement, but some people seem to think we can accept "copy" up to Thursday and send it to us, and if not available for the next issue we must consign it to the waste paper basket.

"The Woman Gives"

By Owen Johnson

NORMA TALMADGE

Some women give—some women take. Woman is either the salvation or destruction of man. When Inga (played by Norma Talmadge) posed for her artist lover, all the world looked on—in smiles. When she posed for her benefactor—ah, that was another matter.

Down in the Street of a Thousand Sorrows she met with an experience few living women have undergone. The dramatic intensity of those moments will linger long in your memory.

Truly—"The Woman Gives," as you shall see.

A complication of love, humor, and poignant drama that will hold you from beginning to end.

SULLIVAN'S SENSE AND NONSENSE

Memorial Day 1920

A tattered flag with a riven star
At the head of a thin blue line.
A muffled drum says "Here they come—
The men of the oak and the pine."
Fame weaves a wreath for the marchers old
Whose locks are as white as the snow—
A wreath that is plucked by loving hands
On the fields of long ago.

They live in the Nation's heart today,
Enshrined in a People's love,
The waving grass beneath their feet,
The arching skies above.
No trumpet's blare disturbs them now,
No long roll breaks their rest,
As on they march with heads erect,
Our bravest and our best.

Before them rise toward the skies
Life's last and grim redoubt,
And countless tears will fall when all
Are finally mustered out;
A tattered flag with a riven star,
Is a symbol of deeds well done,
And our brave will live on the roll of Fame
As long as the rivers run.

Just to get in trim, "Is it warm enough for you?"

To add to the other calamities of the times, Tom Conway has taken to smoking cigarettes.

I hope when they pass an anti-tobacco law they will make an exception of my good old pipe. How come?

No American citizen should be "too busy" to help in celebrating Memorial day, to honor our soldier dead and living.

After all the presidential conventions are held, there will probably still be enough candidates to fill the offices of town constable and pound-master.

The merchant that can afford to make the 20 and 30 per cent discounts the city papers speak about, must have been doing some great profiteering at the former prices he asked.

The doctor that issues whiskey prescriptions is also willing to take his own medicine.

One cannot help but admire the modesty of the Thompsonite who shouted: "Big Bill gave us the municipal pier and the big link bridge. I left him before he claimed that he also 'won the war'."

Speaking of a reason why wages should be raised all 'round, I have not noticed anyone quoting that with booze at 75 cents a shot, and a dollar or two extra for the physician's prescription, how can you expect a fellow to live decently?

The young man who raced his auto down Stewart ave., over 63rd st., striking another auto and resulting in the death of a woman on the sidewalk, will probably be warned that if he does such a naughty thing again he will have his wrists slapped.

Meade Post G. A. R. in Memorial Day Services

On the morning of May 31st, Geo. G. Meade post No 444, G. A. R., and their auxiliary, the Woman's Relief Corps No. 136, will go by autos to Mt. Hope cemetery to take part in the Memorial day services in honor of their comrades who have answered the last roll call.

Services will take place at the soldiers' monument on the Meade post lot at 9:30 a. m. On returning to the post hall, 6238 Princeton ave., dinner will be served by the corps, after which the comrades will assemble and go down town to join the parade.

American Legion Activities

Consolidation of four local American Legion posts will occur next Tuesday evening, June 1. The posts merging are Englewood No. 61, Marquette No. 356, Halfield No. 437 and Byron V. McCluskey No. 2400. Marquette has been meeting at the K. C. hall, 6321 Harvard ave.; Halfield's headquarters are at 55th and Halsted sts., and McCluskey's at 63rd and Ashland. The consolidated organization will be known as Englewood No. 61 and will retain the original charter. The special meeting Tuesday night will be held in the main G. A. R. hall, 6236 Princeton ave. A program of boxing, wrestling and vaudeville has been arranged and the boys promise a fine stag entertainment. Members of the four posts are urged to attend and bring their friends.

Englewood post will have its regular place in the Memorial day parade May 31. The third division of the parade will be composed of Legion posts, arranged according to their numbers. Englewood's number is 61, so it will be near the head of the column. Marchers will wear civilian clothes and Englewood Legionaires are requested to wear dark suits and straw hats. Assembly will occur at 2 p. m. in Grant Park at 8th st. and the parade will start at 3. The line of march is north on Michigan ave. to Chicago ave., then back on Michigan to Monroe. This affords an opportunity for each unit to see every other unit.

"Have They Died in Vain?"

This is the subject of the sermon of Dr. Clyde Shepard at Pilgrim Congregational church next Sunday morning. The preacher proposes to analyze the present situation and judge if the men who gave their lives in the great war died fruitlessly. It will be a sermon for loved ones of fallen soldiers to hear, and for all who care for the memory of those who died. The unminced utterances on present duties of America in the world-situation will spur the minds of those who care to think. What is it all worth, anyway?

Memorial to Old Teacher

On Tuesday evening, June 8, at 8 o'clock a memorial meeting for Miss Hadasseh M. Fleming will be held in the assembly hall of the Lewis-Champlin school. On this occasion a picture—a memorial to Miss Fleming—will be presented to the school by the Parent-Teacher association.

Miss Fleming was a veteran teacher of the Lewis-Champlin school. Beginning in 1880, with the exception of three years' work in the Kenwood Institute and an eight months vacation on account of ill health, she taught in the public schools continuously until her death. She was assigned to the Lewis-Champlin school in November, 1898, having completed twenty-one years' service in this community at the time of her death Dec. 14, 1919.

Miss Fleming taught many of the residents of Englewood during the course of her long service. These naturally feel a keen personal interest in her sudden decease. A movement for a memorial was started by the Parent-Teacher association, which met with a generous response, enabling the purchase of the picture which is to hang in the assembly hall.

Short addresses will be made by old friends and associates of Miss Fleming.

A cordial invitation is extended to all her friends and former pupils to be present and participate in this memorial meeting.

Miss Mildred De La Presents Pupils

Pupils of Miss Mildred De La of 6600 Lafayette ave., assisted by Mrs. Lila M. Dove, soprano, will be heard in recital Wednesday evening, June 2nd, at the Englewood Masonic temple. The public is cordially invited. Miss De La, in her fifteen years residence in Englewood, has made for herself an enviable reputation as a teacher, because of her remarkable methods of technique and tone production, which are evinced in even her youngest pupils, and has been obliged during the past year to turn away pupils, her time at both the residence and city studios having been entirely filled. She will conduct summer classes from June 1st to August 15th.

Lewis-Champlin Parent-Teachers Association

The Lewis-Champlin Parent-Teachers association will hold its regular meeting Tuesday, June 1, 2:30 o'clock, in the kindergarten room of the school.

This being the annual meeting, election of officers and reports of committees will be the business. A full attendance is requested.

2nd and 3rd Year Party

After school on Friday, May 21st, in Junior hall, a party was held for the pupils of the second and third year classes. One of the main features was an original play given by the Drama club.

Meeting of the French Club

A special open meeting of the French club was held on Tuesday, May 25th. After a piano solo by Irwin Fischer, Sergeant McCoy talked about his experiences with the First Division of the A. E. F. in France.

Memorial Day Exercises

Memorial day will be observed Friday morning by the whole school. In Senior hall there will be a song by Miss Harjes, a violin solo by Mary Sorenson, and an address by Sergeant McCoy. A song by Mr. Beardsley, a violin solo by Carl Zeitler and an address by Lieut. Gay, former chaplain of the U. S. navy, have been planned for Junior hall. First year pupils will have exercises in their own rooms.

Personals

Margaret Gross (1910) will be married to Harry O'Neal June 26th. They will make their home in Akron, Ohio.

Mrs. Chinn of Lexington, Ky., formerly Gladys Holton, is visiting her mother. The teachers were pleasantly surprised to be served by Mrs. Chinn in the lunch room Monday.

Viola North (1913) will be married to Capt. Bradley of the 108th Engineers on June 5th, at 6:30, at Dr. White's church.

Attention Sons of Veterans

A meeting of all sons of veterans of the war of the rebellion is called for Tuesday evening, June 1st, at G. A. R. Memorial hall, 6236 Princeton ave., and a camp will be organized. All sons of veterans are cordially invited and a rousing meeting is assured.

Mrs. Allen Arrives in Wyoming

Mrs. A. C. Allen writes us a very amusing account of her trip to Wyoming in which she was in a "wash-out" with a party of seventeen who spent more than a week getting to Chadron. They hired a motor truck and started out overland and with six break-downs and wading through the mud for miles they fairly outdid "little Mary" in a movie spectacle. A broken bridge held them again and they walked through the Wyoming mud (which by the way is of a very superior quality as to stickitiveness) and at last arrived at Riverton, and have since been liberal patrons of the drug store and liniment shops. It is a very pretty town at the foot of the mountains and deserves to be pretty in such an out of the way nook of the world.
